

“It only makes sense for us to bargain together. As nurses, we face the same or very similar issues at each hospital. I support our Bargaining Team and ask other members to do so, as well.”

NURSE POWER!

We stood together to bargain together, and it worked! Management has agreed that nurses at all three HCA hospitals should bargain our new contract TOGETHER. So, after months of preparation, our Bargaining Team will negotiate our new contract with management on the following dates:

February 2, 3, 17, 18 and March 3, 4, 17, 18, 30, 31.

Our team is fired up and ready to go! Look for update flyers in your lounges. Ask your stewards and Bargaining Team members for updates and ways you too can support our Bargaining Team!

Show your support of our Bargaining Team by wearing purple on your designated day. Together we can win a fair contract!
