

Dear Fellow Local 121RN Members...

...Bargaining Preparations Begin!

As 121RN Bargaining Teams for HCA's **Los Robles, Riverside Community** and **West Hills** hospitals, we're committed to representing the voices of all RNs at the bargaining table. We took our first step in getting ready to bargain when we met as a group on April 3 to discuss everyone's priorities.

We reviewed bargaining survey results that you submitted and will be meeting again to begin formulating proposals based on your responses.
