

Kaiser walks away from our Partnership, seeks to eliminate jobs, roll back job security.

On Monday, May 7, Kaiser management met with leaders from all its Unions and delivered a clear message:

- Kaiser is walking away from our Partnership as we know it.
- They are refusing to bargain a new National Agreement with our Coalition of Unions.
- Kaiser wants to automate, relocate and outsource jobs, and roll back job security.
- They want to silence us, limiting our ability to hold Kaiser accountable and speak up for patients.
