### **Count Me In!**

Winning a fair contract takes hard work and strong membership. Members should be ready to stand with our Bargaining Team when needed to show we are united in obtaining a fair contract.

### Count on me to:

Wear a Union sticker or button.
Distribute flyers and talk to my co-workers about negotia
tions.
Participate in worksite actions to support our Bargain-
ing Team and our priorities.

### Return Survey by February 23.

Please return survey to a Bargaining Team member or Steward. Or you may fax it to (626) 395-7538 **Questions?** Contact our Union Representative, Mimi Holt, RN, at (213)247-4589 or holtm@seiu121rn.org

# 2015 Northridge Hospital Medical Center BARGAINING SURVEY SEIU Local 121RN

### **Our Bargaining Team**

Left to right: Jaime Deloera, 4G; Kim Bingaman, PICU; Gayle Batiste, OR; Rico Magsino, 3G; and Jennifer Solovay, ICU.

Alternates: Sherice Smith, OB, Catherine Kaiser Reeves, NICU

This survey will help us determine our priorities at the bargaining table with hospital management. Completing this survey is the only way we will know what improvements to focus on. Fill it out today!

## Wages, Benefits, Policies

Although there are many priorities to address during bargaining, please rank the top five (5) in order of importance (1 being highest importance)  Wage increases for everyone.  We need more steps in the wage scale to recognize higher seniority.  Protecting our healthcare insurance.  Our vacation / time off policies need improvement.  We need relief nurses for breaks and meal periods.  Improvements to Flexing language.  Improvements to Floating language.  Improvements to folicies for safety at work need improvement.  Policies for safety at work need improvement.  Improvements to our Clinical Ladder program  Easier access to Extended Sick Leave (ESL)  Improve and make PTO cash-out program more flexible  2 Staffing & Workload  Are staffing levels adequate in your unit or department to ensure quality patient care?	as it's k hift to
Wage increases for everyone.  We need more steps in the wage scale to recognize higher seniority.  Protecting our healthcare insurance.  Our vacation / time off policies need improvement.  We need relief nurses for breaks and meal periods.  Improvements to Flexing language.  Improvements to Floating language.  Improvements to Gloating language.  Improvements to our Clinical Ladder program  Easier access to Extended Sick Leave (ESL)  Improve and make PTO cash-out program more flexible  Do you ever feel pressured to work off the clock?  VES, the hospital is aware that I work off the clock.  VES, the hospital doesn't care how I get my work done, as long done.  Charting, etc.)  NO, staffing levels are adequate and there's enough time in my complete my work.  Are you aware that, per labor law, management has to provide 10-m breaks for every four hours worked?  VES  The hospital is aware that I work off the clock?  VES, the hospital is aware that I work off the clock.  VES, the hospital get in trouble if I incur overtime to finish my work (charting, etc.)  NO, staffing levels are adequate and there's enough time in my complete my work.
